

Hello Bolo: Learn English

HELP URDU SPEAKERS PRACTISE EVERYDAY ENGLISH

Hello Bolo is a free English learning app for Urdu speakers.

It helps people practise the English they need for everyday situations, in English, Roman Urdu and Urdu script, with spoken audio.

Who could it help?

People who speak Urdu and want to feel more prepared using English in everyday situations.

Doctor & health

School

Official letters

Housing

Banking

Shopping

Transport

Phone calls

Work

Emergencies

Why share it?

Some people understand English but still find particular conversations difficult. Hello Bolo lets them practise those situations beforehand, in a familiar language.

- ✓ Practise before a real conversation
- ✓ Read English alongside Roman Urdu or Urdu script
- ✓ Listen to every phrase spoken aloud

How you can help

1. Tell Urdu-speaking people about Hello Bolo.
2. Help them install it if they need a hand.
3. Suggest one relevant conversation to practise.

A GP appointment coming up? Suggest NHS & Health.

A letter they cannot understand? Suggest Official Letters.

✓ Free to use

✓ No sign-up

✓ Works offline

✓ No adverts

Hello Bolo helps people practise English; it does not provide official advice on NHS, benefits, housing or immigration.
